It's Easy To Become a Member

To become a Boring Granger is a simple process. You fill out an application to be a member and submit it with the appropriate dues and fees to the Secretary or any other member.

Dues are \$40 per year for an individual member and \$80 for a family membership. A one-time application fee of \$5 for an individual and \$10 for a family is also collected. Dues are pro-rated by quarter to the end of the year.

Then you show up at a meeting where the members vote to accept you and the officers conduct the welcoming ceremony. At that moment you are a member and can participate fully.
